NEWSLETTER JANUARY 2016

Message from the Head Teacher

We would like to wish everyone a Happy New Year and hope that everyone had a nice and peaceful Christmas break.

I am sure that you are aware that we have two new Teaching Assistants. Mrs Kathleen Gavrilovic started in November and works primarily with Class 3 on a Thursday and Friday. Mrs Claire Kersey started this month and works every day in Class 4. We are very pleased to welcome them into our little team.

Value of the Month

This month we will be discussing the value of PEACE with the children.

Teachers will be awarding 'Value Awards' to the children who demonstrate our school values in and around the school.

Winter Weather Guidance

Now that the weather has turned cold after all that awful rain we would like to remind everybody to keep their Emergency Pyramid handy in case of snow. Please remember to let the school office know if there are any changes to phone numbers so that you can be called in an emergency. In the unlikely event we need to close you should get a call to let you know and information will be on the school website, the local radio and the Oxfordshire County Council site.

In the event of snow (and the school being open) don't forget wellington boots, hat, scarf and gloves. Please provide a change of shoes and possibly a change of clothes. Water proofs are a good idea as the children will be allowed to have fun in the snow.
