### Dates for your diary

#### April

- 18<sup>th</sup> Small Schools Football Final
- 24<sup>th</sup> Festival of Nature – Class 2 and Class 3
- 27<sup>th</sup> FoFS Disco – Ardley Village Hall

### Parking

Whilst we are aware that the vast majority of parents are mindful of local residents, complaints from members of the community about inconsiderately parked vehicles at the start and end of the school day are a constant occurrence. This undermines the school's efforts to be a 'good neighbour' and also creates road safety issues.

To this end, the landlord of the Butcher's Arms has kindly allowed their car park to be used for school drop off and pick up. The Parish Council would also like to encourage parents to park along Main Street in an effort to save parents from having to park on and around the village green.

We are aware that parking in the village is not adequate for school users and we are in discussion with the Parish Council to investigate possible solutions to this. We would like to thank parents for your continued support in this matter.

### Music Lessons – Class 3

This term, children in Class 3 will be learning to play the ukulele! If you would like your child to be able to take their instrument home to practice please remember to complete and return the form from the Music Service.

### Wow Day – Class 2

On Monday Class 2 was over-run with all manner of wild animals!

Class 2's topic is 'Paws, Claws and Whiskers' and pupils and staff are very enthusiastic about their learning this term.

### Sun Safety

The sun is finally shining and we will be trying to take full advantage of the improvements in the weather. Can you please make sure your child arrives at school with sun cream already applied, a hat with a brim and a water bottle.

### Fire Safety Visit – Class 2

After learning about the Great Fire of London in their topic work, Class 2 were visited by members of the Bicester Fire Service to learn all about fire safety.

It was very informative but also lots of fun!
