### NEWSLETTER SEPTEMBER 2017

#### Message from the Headteacher

Welcome back! I hope everyone is rested, relaxed and has enjoyed a wonderful summer break -despite the weather. It is good to see everyone back at school and we are all looking forward to an exciting new term.

#### Wow Day and Open Afternoon

On the 18<sup>th</sup> September we will hold the first of our Wow Days to officially launch our Class topics. Teachers are already busy planning lots of fun and exciting activities for the children. We would like to invite parents and carers into school from 2pm to share in the activities.

#### New Science Club

A new science club is starting next week. It will be held in the hall after school every Wednesday and is open to all pupils from Years 1 to 6 (Classes 2, 3 & 4). Please contact the office to book your places.

#### Harvest Festival

This year's Harvest Festival will be held at the Village Church on Friday 6<sup>th</sup> October. All pupils in Class 2, 3 and 4 will participate. All are welcome to attend and we look forward to seeing as many of you as possible.

#### Celebration Assembly

Celebration Assembly will be held, as usual, on Friday mornings but we have a new time! Assembly will now start at 9.15am. We hope you will find this new arrangement more convenient.

#### School Meals

Please check ParentMail and don't forget to book your child's school meal. This will greatly help our kitchen staff.

#### Value of the Month

This month we will be discussing our value of Patience with the children.

Teachers will be awarding 'Values Certificates' to the children who demonstrate our values in and around the school at the end of the month.

#### Medicines in School

If your child requires medicine to be administered while in school please provide the office with written notification and please provide the medicine in its original container including the prescriber's instructions for administration and dosage.

Medicines prescribed by a doctor, dentist, nurse or pharmacist prescriber should only be brought to school when it is essential; that is where it would be detrimental to a child's health if the medicine were not administered during the school day.

#### Flu Vaccinations

Once again the School Medical Team will be administering flu vaccinations to children of parents who wish to participate. Mrs McBride will issue further information in the next week or so.

#### Sainsbury's Vouchers

We would like to thank everyone for very kindly collecting lots of Sainsbury's Active Kids vouchers. We have been able to replenish our PE cupboard with lots of new equipment!

#### After School Club

Create Childcare is up and running and is proving to be a valuable addition to the school. Should you wish to book a place for your child or would like to make an enquiry please contact Create Childcare directly on 07783 936607 / [createchildcare12@yahoo.com](mailto:createchildcare12@yahoo.com)

#### Fun Day School

Fun Day School will start again this term. It will be held once a month on a Friday. The first session will be on Friday 22<sup>nd</sup> September. Please check the notice board for subsequent dates and contact Amanda Houston with any questions or queries.
